

### **Pre-Qualification Tender R-13/2023 for the Supply of a SCADA System**

Mekorot Water Company Ltd hereby announces that the following preconditions are amended as follows: Section 4.3.2 is replaced by the following section: The Israeli Representative must have a minimum turnover: on each of the years 2019, 2020 and 2021, or on each of the years 2020, 2021 and 2022, the turnover of the Israeli Representative (income not including VAT) that stemmed from sales in the field of command and control exclusively, was at least NIS 10,000,000 (ten million).

Section 4.2.3 is replaced by the following section: The latest audited financial statements of the manufacturer do not include a "going concern" note. In the event that according to local law applicable to the manufacturer there is no obligation on the manufacturer to have audited financial statements, then as an alternative, a legal opinion shall be submitted, that according to the local law applicable to the manufacturer, the manufacturer does not have audited financial statements for 2022 (or 2021 if financial statements for 2022 are not available), and in addition a confirmation by the manufacturer's auditor shall be submitted, that a "going concern" note, within the meaning of this term in IAS1 (International Standards) or FASB ASC 205-40 (American standards), does not apply to the above unaudited financial statements. the Submission Deadline for this tender remains 20 April 2023 at 12 noon (Israel time).
